

## REMARKS

The original PCT published application has a Figure 7 which was thus part of the entry into the national stage in this PCT application. However, Fig. 7 contains PCT markings at the top and applicants have submitted a replacement sheet to eliminate those PCT markings. Also a typographical error has been corrected concerning the description of Figure 7 at page 3 of the Substitute Specification.

The Commissioner is hereby authorized to charge any additional fees which may be required, or to credit any overpayment to account No. 501519.

Respectfully submitted
